Carpe diem, (Latin: “ pluck the day ” or “ seize the day ”) phrase used by the Roman poet Horace to express the idea that one should enjoy life while one can. Carpe diem is part of Horace ’ s injunction “ carpe diem quam minimum credula postero, ” which appears in his Odes (I.11), published in 23 bce. It can be translated literally as “ pluck the day, trusting as little as possible in the next one. ” .

'Carpe diem' is usually translated from the Latin as 'seize the day'. However, the more pedantic of Latin scholars may very well seize you by the throat if you suggest that translation. 'Carpe' translates literally as 'pluck', with particular reference to the picking of fruit, so a more accurate rendition is 'enjoy the day, pluck the day when it is ripe'.

~~Carpe Diem Foundation—Seize The Day~~

Carpe is the second-person singular present active imperative of carp "pick or pluck" used by Horace to mean "enjoy, seize, use, make use of". Diem is the accusative of dies "day". A more literal translation of carpe diem would thus be "pluck the day [as it is ripe]"—that is

~~Carpe diem—Wikipedia~~

Yet many English poets have put their distinctive stamp on the carpe diem motif, exhorting us to seize the day, to make the most of life, to 'gather ye rosebuds while ye may', in Robert Herrick's well-known phrase, or to 'Stop and consider! Life is but a day', as Keats has it in 'Sleep and Poetry'.

Seizing the day means seizing it in the moment. If we make a promise to ourselves to start tomorrow or next week there may be something entering our world then and we just have no time again. We have to make room actively for what is important to us. Time won't present itself by saying here you have a little more for what you really need.

Bronze Lion ~ Carpe Diem {Seize the day} Handcrafted using the impression of an 19th century British wax seal, this pendant features a lion rampant & crossed sword, which is emblematic of courage and faith. The buckled belt framing the lion is for unbroken bonds and features the text ‘ Carpe Diem ’ which translates fr

Ever spent another birthday wondering where your life has gone? Most of us are not living to our full potential. We've let go of our dreams and resigned ourselves to a life of quiet frustration. We go through the motions each day with a mentality that says "so high and no more". Tony Campolo says, ENOUGH! It's time to SEIZE THE DAY! Every morning we have a new 24-hour opportunity to leave a lasting legacy on this world. In "Carpe Diem", Campolo will challenge you to let go of whatever is holding you back, and show you how to wake up refreshed, renewed and ready to make the most of the day you've been given. His contagious enthusiasm will get you revved up to take your life back into your own hands, and learn how to squeeze the last drop out of every day! Start living big, seize the day. Don't wait - your time is now! A Tony Campolo Classic!

"Brilliant. One of those rare books that forces you to ask what the hell you're doing with your life."
--George Monbiot, The Guardian **One of Forbes' 13 Best Books for Summer 2017** We've all heard the saying "seize the day." But what does it really mean--and how can we use it to jumpstart our lives? In the age of distraction, carpe diem is more essential than ever, and yet many of us simply don't employ it in our lives. In this thought-provoking and empowering book, cultural writer Roman Krznaric unpacks the history, philosophy, and modern-day applications of "seizing the day" and delivers a rousing call to action for anyone who wants to improve their lives--or our world. Carpe Diem is a far-ranging read, drawing on everything from the neuropsychology of regret to the anthropology of play, from medieval carnival rites to religious conceptions of the afterlife and early Japanese cinema. Offering food for thought as well as inspiring takeaways, the book examines not just the contributions of great thinkers throughout history, but also reveals insights from the lives of great seize-the-day practitioners including nightclub dancers, war photographers, bored housewives, and committed revolutionaries--offering a wide range of solutions to the daunting challenge of leading a meaningful life.

Existentialism is back Carpe diem — ‘ seize the day ’ — is one of the oldest pieces of life advice in Western history. But its true spirit has been hijacked by ad men and self-help gurus, reduced to the instant hit of one-click online shopping, or slogans like ‘ live in the now ’ . We need to reclaim it to make sense of our complex, confusing times. The last great expression of carpe diem was in the electrifying existential philosophy of the 1940s. Today it ’ s an idea that challenges us to confront our mortality and live with greater passion and intention rather than scroll mindlessly on our phones or allow freedom to become a mere choice between brands. In Carpe Diem Regained, Roman Krznaric reinvents existentialism for our age of information and choice overload. An essential and empowering work of contemporary philosophy, the book unveils the surprising ways of seizing the day that humankind has discovered over the centuries, ones we urgently need to revive. Carpe diem is the existentialism for our times.

How do we make the most of life and the time we have? In the midst of our harried modern world, Os Guinness calls us to consequential living, reorienting our notion of history not as cyclical nor as meaningless, but as linear and purposeful. We can seek to serve God's purpose for our generation, read the times, and discern our call for this moment in history.

In this delightful romantic adventure, a 16-year-old overachiever learns how to seize the day. "I've got my entire life planned out for the next ten years — including my PhD and Pulitzer Prize," claims 16-year-old overachiever Vassar Spore, daughter of overachiever parents, who in true overachiever fashion named her after an elite women's college. Vassar expects her sophomore summer to include AP and AAP (Advanced Advanced Placement) classes. Surprise! Enter a world-traveling relative who sends her plans into a tailspin when she blackmails Vassar's parents into forcing their only child to backpack with her through Southeast Asia. On a journey from Malaysia to Cambodia to the remote jungles of Laos, Vassar sweats, falls in love, hones her outdoor survival skills — and uncovers a family secret that turns her whole world upside-down. Vassar Spore can plan on one thing: she'll never be the same again.
