Moby-Dick, or, The Whale is an 1851 novel by American writer Herman Melville. The book is the sailor Ishmael’s narrative of the obsessive quest of Ahab, captain of the whaling ship Pequod, for revenge on Moby Dick, the giant white sperm whale that on the ship’s previous voyage bit off Ahab’s leg at the knee.

**Moby-Dick** — **Wikipedia**

"Moby-Dick" (1851) recounts the adventures of Ishmael as he sails on the whaling ship, the Pequod, under the command of the monomaniacal Captain Ahab, who's willing to risk everything to hunt down the great white whale. One of the finest examples in the genre of Dark Romanticism.

**Moby-Dick, or, The Whale** — **American Literature**

Moby-Dick, or, The Whale, the allegorical novel about Captain Ahab’s search to kill a great white whale, was based on real-life events. Born in 1819, author Herman Melville grew up during the peak of American dominance of the whaling industry, roughly the period between 1820 and the start of the Civil War.

**Moby-Dick; Or the Whale, by Herman Melville**

Moby Dick is a fictional sperm whale who is the main antagonist in Herman Melville’s 1851 novel of the same name. Melville based the fictional whale partially on a real albino whale of that period called Mocha Dick.

**Moby-Dick (whale)** — **Wikipedia**

Based on the sinking of the whaleboat Essex, Moby Dick is the story of a whale bent on revenge and a captain who over the course of the book loses his mind. If you can get passed the olde English (which irritated me to no end in University) it really is an exceptional book on mans perceived dominion over the creatures of the earth and what happens when one doesn’t behave as it is expected too.

**Moby-Dick, or, the White Whale eBook: Melville, Herman** —

Moby-Dick; or, The Whale is a novel by American writer Herman Melville, published in 1851 during the period of the American Renaissance. Sailor Ishmael tells the story of the obsessive quest of Ahab, captain of the whaler the Pequod, for revenge on Moby Dick, the white whale which on the previous whaling voyage destroyed his ship and severed his leg at the knee.

**Moby-Dick or, the Whale Quotes by Herman Melville**

On board the whaling ship Pequod a crew of wise men and fools, renegades and seeming phantoms is hurled through treacherous seas by crazed Captain Ahab, a man hell-bent on hunting down the mythic White Whale. Herman Melville transforms the little world of the whale ship into a crucible where mankind’s fears, faith and

**Moby-Dick** — **Wikipedia**

Moby-Dick; or, The Whale is a novel by Herman Melville, in which Ishmael narrates the monomaniacal quest of Ahab, captain of the whaler Pequod, for revenge on the albino sperm whale Moby Dick, which on a previous voyage destroyed Ahab’s ship and severed his leg at the knee. Although the novel was a commercial failure and out of print at the time of the author’s death in 1891, its reputation grew immensely during the twentieth century. D. H. Lawrence called it “one of the strangest and most wonderful books in the world,” and “the greatest book of the sea ever written.” Moby-Dick is considered a Great American Novel and an outstanding work of the Romantic period in America and the American Renaissance. “Call me Ishmael” is one of world literature’s most famous opening sentences. The product of a year and a half of writing, the book is dedicated to Nathaniel Hawthorne, “in token of my admiration for his genius,” and draws on Melville’s experience at sea, on his reading in whaling literature, and on literary inspirations such as Shakespeare and the Bible. The detailed and realistic descriptions of whale hunting and of extracting whale oil, as well as life aboard ship among a culturally diverse crew, are mixed with exploration of class and social status, good and evil, and the existence of God. In addition to narrative prose, Melville uses styles and literary devices ranging from songs, poetry and catalogs to Shakespearean stage directions, soliloquies and asides.The author changed the title at the very last moment in September 1851. The work first appeared as The Whale in London in October 1851, and then under its definitive title Moby-Dick in New York in November. The whale, however, appears in both the London and New York editions as “Moby Dick,” with no hyphen. The British edition of five hundred copies was not reprinted during the author’s life, the American of almost three thousand was reprinted three times at approximately 250 copies, the last reprinting in 1871. These figures are exaggerated because three hundred copies were destroyed in a fire at Harper’s; only 3,200 copies were actually sold during the author’s life.

"Moby-Dick" is considered to be one of the Great American Novels and a treasure of world literature, one of the great epics in all of literature. The story tells the adventures of wandering sailor Ishmael, and his voyage on the whaleship Pequod, commanded by Captain Ahab. Ishmael soon learns that Ahab has one purpose on this voyage: to seek out Moby Dick, a ferocious, enigmatic white sperm whale. In a previous encounter, the whale destroyed Ahab's boat and bit off his leg, which now drives Ahab to take revenge... Herman Melville (1819|1891) was an American novelist, short story writer, and poet of the American Renaissance period. His best known works include Typee (1846), a romantic account of his experiences in Polynesian life, and his whaling novel Moby-Dick (1851).

**Moby-Dick** — **Wikipedia**

Call me Ishmael. So begins the famous opening chapter of Moby-Dick; or, The Whale. Young sailor Ishmael is hired as a crew member of a whaler named Pequod, captained by a man named Ahab. In between lengthy chapters on whale biology and descriptions of the crew and the whaling trade, readers are slowly introduced to a captivating tale. Ahab is out for revenge on the great white whale that stole his leg, leaving him with a whale-bone prosthesis and a withering hatred for the beast. Known as Moby Dick, the whale is infamous for his encounters and escapes with whale ships, and Ahab offers a gold coin, nailed to the Pequod’s mast, as a reward for whoever sights him first. Beginning on a cold Christmas morning, the crew embarks on a journey to find the whale and make their fortunes. An exciting staple of American literature, Moby-Dick is a must-read for anyone interested in the classics. Herman Melville was inspired to write Moby Dick by the 1821 biographical account Narrative of the Most Extraordinary and Distressing Shipwreck of the Whale-ship Essex, which in turn inspired the 2000 novel and 2015 movie, In the Heart of the Sea. HERMAN MELVILLE (1819-1891) was an American novelist. Born in New York, Melville lived and worked in the city for many years before moving with his family to Massachusetts, where he enjoyed a short friendship with author Nathaniel Hawthorne. Many of Melville’s books are inspired by his own experiences; he sailed on merchant and whaling ships, spent time on the Marquesas Islands with natives, and spent time in England, Egypt, and Palestine. Melville even wrote poetry reflecting on the American Civil War. He eventually retired in New York City, where he was buried in the Bronx, relatively unknown. Melville was the author of 19 books of fiction, nonfiction, and poetry, including \*Typee\* (1846), Moby-Dick (1851), "Bartley the Scrivener" (1853), "Benito Cerino" (1855), Battle-Pieces and Aspects of the War (1866), and Billy Budd, Sailor (1891, unfinished).

"Call me Ishmael." So begins the famous opening chapter of Moby-Dick; or, The Whale. Young sailor Ishmael is hired as a crew member of a whaler named Pequod, captained by a man named Ahab. An exciting staple of American literature, Moby-Dick is a must-read for anyone interested in the classics. Herman Melville was inspired to write Moby Dick by the 1821 biographical account Narrative of the Most Extraordinary and Distressing Shipwreck of the Whale-ship Essex, which in turn inspired the 2000 novel and 2015 movie, In the Heart of the Sea.

Herman Melville’s masterpiece, one of the greatest works of imagination in literary history Over a century and a half after its publication, Moby-Dick still stands as an indisputable literary classic. It is the story of an eerily compelling madman pursuing an unholy war against a creature as vast and dangerous and unknowable as the sea itself. But more than just a novel of adventure, more than an encyclopedia of whaling lore and legend, Moby-Dick is a haunting, mesmerizing, and important social commentary populated with several of the most unforgettable and enduring characters in literature. Never losing its cultural presence, Melville’s nautical epic has inspired many films over the years, including the film adaptation of Nathaniel Philbrick’s In the Heart of the Sea, starring Chris Hemsworth, Cillian Murphy, Ben Whishaw, and Brendan Gleeson, and directed by Ron Howard. Written with wonderfully redemptive humor, Moby-Dick is a profound and timeless inquiry into character, faith, and the nature of perception. This Penguin Classics deluxe edition features a foreword by Nathaniel Philbrick and cover art by Tony Millionaire. This edition prints the Northwestern-Newberry edition of Melville’s text, approved by the Center for Scholarly Editions and the Center for Editions of American Authors of the MLA. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A brilliant and provocative! (The New Yorker) celebration of Melville’s masterpiece!of the bestselling author of In the Heart of the Sea, Valiant Ambition, and In the Hurricane’s Eye One of the greatest American novels finds its perfect contemporary champion in Why Read Moby-Dick?, Nathaniel Philbrick’s enlightening and entertaining tour through Melville’s classic. As he did in his National Book Award-winning bestseller In the Heart of the Sea, Philbrick brings a sailor’s eye and an adventurer’s passion to unfolding the story behind an epic American journey. He skillfully navigates Melville’s world and illuminates the book’s humor and unforgettable characters!finding the thread that binds Ishmael and Ahab to our own time and, indeed, to all times. An ideal match between author and subject, Why Read Moby-Dick? will start conversations, inspire arguments, and make a powerful case that this classic tale waits to be discovered anew. ¶Gracefully written [with an] infectious enthusiasm!¶New York Times Book Review

Moby Dick is a story narrated by a sailor named Ishmael who, together with his friend Queequeg, go on a three-year expedition to hunt sperm whales on board a ship named Pequod. Captain Ahab, the commander of Pequod however, is on a revenge quest to hunt the famous White Whale called Moby Dick that took one of his legs in one of his previous voyages. In his narration, Ishmael gives a detailed account of whale hunting and extracting whale oil as well as life aboard ship and Pequod’s final voyage across the Atlantic and to the Pacific Ocean where they encounter Moby Dick. Call me Ishmael. Some years ago—never mind how long precisely-- having little or no money in my purse, and nothing particular to interest me on shore, I thought I would sail about a little and see the watery part of the world. It is a way I have of driving off the spleen and regulating the circulation. Whenever I find myself growing grim about the mouth; whenever it is a damp, drizzly November in my soul; whenever I find myself involuntarily pausing before coffin warehouses, and bringing up the rear of every funeral I meet; and especially whenever my hypos get such an upper hand of me, that it requires a strong moral principle to prevent me from deliberately stepping into the street, and methodically knocking people’s hats off--then, I account it high time to get to sea as soon as I can. This is my substitute for pistol and ball. With a philosophical flourish Cato throws himself upon his sword; I quietly take to the ship. There is nothing surprising in this. If they but knew it, almost all men in their degree, some time or other, cherish very nearly the same feelings towards the ocean with me. "Who told thee that?" cried Ahab; then pausing, "Aye, Starbuck; aye, my hearties all round; it was Moby Dick that dashed me; Moby Dick that brought me to this dead stump I stand on now. Aye, aye!" he shouted with a terrific, loud, animal sob, like that of a heart-stricken moose; "Aye, aye! it was that accursed white whale that razed me; made a poor pegging lubber of me for ever and a day!" Then tossing both arms, with measureless imprecations he shouted out: "Aye, aye! and I'll chase him round Good Hope, and round the Horn, and round the Norway Maelstrom, and round perdition's flames before I give him up. And this is what ye have shipped for, men! to chase that white whale on both sides of land, and over all sides of earth, till he spouts black blood and rolls fin out. What say ye, men, will ye splice hands on it, now? I think ye do look brave." "Aye, aye!" shouted the harpooners and seamen, running closer to the excited old man: "A sharp eye for the white whale; a sharp lance for Moby Dick!"

Moby-Dick; or, The Whale is an 1851 novel by American writer Herman Melville. The book is sailor Ishmael’s narrative of the obsessive quest of Ahab, captain of the whaling ship Pequod, for revenge on Moby Dick, the white whale that on the ship’s previous voyage bit off Ahab’s leg at the knee. ===== KEYWORDS/TAGS: adventure books for boys 9-12 · adventure books for adults · adventure books for teen boys · adventure book for boys · adventure book boys · adventure book cheap · adventure book gift · adventure book young adults · moby dick book · moby dick paperback · moby dick children’s book · moby dick for kids · moby dick for children · moby dick in plain english · moby dick kids · moby dick novel

This classic story of high adventure, manic obsession, and metaphysical speculation was Melville’s masterpiece. The tale of Captain Ahab’s frantic pursuit of the cunning and notorious white whale Moby Dick, is packed with drama, and draws heavily on the author’s own experiences on the high seas. This edition includes passages from Melville’s correspondence with Nathaniel Hawthorne, in which the two discussed the philosophical depths of the novel’s plot and imagery. ABOUT THE SERIES: For over 100 years Oxford World’s Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford’s commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
