Partners In Life And Love

While some still believe that the term life partner refers to a spouse, romantic partner, boyfriend or girlfriend, there are some who believe and are practicing a new definition of this term. A life partner has traditionally been seen as someone who you share your romantic life with.

Partners In Life And Love

you trust and depend on during your life. Here are 5 differences between a soulmate and life partner: 1. A soul mate fulfills a lesson in your life.

Soulmates can enter your life masked as friends, family members, and lovers. They fill a passion and desire that needs to be learned.
