A Zen Master was sitting in SATSANG, his disciples were there, and a very proud man, a warrior, a samurai, came to see him. The samurai was a very famous one, well-known all over the country, but looking at the Master, looking at the beauty of the Master and the grace of the moment, he suddenly felt inferior.

Salsa is a Latin dance associated with the music genre of the same name which originated in the 1960s in New York City. Salsa is an amalgamation of Puerto Rican, Dominican and Cuban dances that were popular in the ballrooms and nightclubs of San Juan and la Havana by the end of the 1950s (e.g. "casino", mambo and pachanga), as well as American jazz dances.

Salsa is a syncretic dance form with origins from Cuba as the meeting point of Spanish (European) and African cultures. Salsa is normally a partner dance, although there are recognized solo forms such as solo dancing "suelta" and "Rueda de Casino" where multiple couples exchange partners in a circle.

Description"From Agoraphobia to Zen," is the author's true story of her lifelong struggle with panic attacks, agoraphobia and food addiction. On the dawn of the millennium she makes a decision to break the cycle of mental illness that destroyed her mother and threatens her own life. This authentic, sometimes, brutal journey takes the reader from trauma to comedy, from a Brooklyn housing project to the Hawaiian Islands and from fear to hope. Armed with her mother's journal and a deep desire to be healed, she uses spiritual guides, imagination and hypnotism to uncover the secrets and lies that both mother and daughter kept. This powerful memoir, filled with fascinating people and compelling photographs is intensified by a genuine sense of time and place, and the author's belief that it's possible to triumph against mental illness. About the AuthorMarilyn Maya Mendoza was born and raised in Williamsburg Brooklyn, New York City. For the last 35 years she has lived in Makaha, the sunny west side of Oahu, Hawaii, where she teaches English as a second language and writes. She has four grown children, a supportive partner Jackson and an adopted Havanese dog named Chic. Her hobbies include dancing, traveling and eating French toast; not necessarily in that order.

The American spirit of self-reliance goes hand in hand with the mystical tradition of Zen -- yet it hasn't found its own bare wire. The best revolution, and the domain of the Zen adept, is an inner one. The Zen Revolution reads like a novel, each compelling chapter revealing another nuance -- the whole gamut, from origin to fiery culmination. Delving into both the spiritual and worldly aspects with equal candor, The Zen Revolution takes on the basic question of existence, perhaps the most important question we face. There's a new adventure in every chapter, leading to an eventual breakthrough -- something nearly unheard of in the Zen literature of the West

It's 1937, the eve of World War II. At twenty-six years old, Rezsí Lehrer leaves Munkacs, a small charming city located deep within a remote corner of the Carpathian mountains and travels alone to the United States. War breaks out and Eastern European borders are sealed. Rezsí's family is trapped in Czechoslovakia and the packages she sends home are returned unopened. When the war ends, Rezsí discovers her parents, two brothers and scores of relatives perished in the Holocaust. Gypsy Music Street is the story of one woman's endless sorrow and guilt she suffers at the loss of her family, the family she left behind "to die alone." Yet she still yearns to return to her town, "the little Paris of the East," to see it just one more time. But after the war, countries borders are redrawn and Mukacevo is no longer located in Czechoslovakia. It becomes completely closed off within the iron grip of the Soviet Union and the political climate is one of Cold War. Mukacevo is off limits for travel. As the years pass, Rezsí reminisces, sharing her longing and grief about the past with her daughter Bobbie. And when she dies an old woman, her dream unfulfilled, Bobbie is driven by her own loss and grief to make this journey home for her mother, and for herself. Adventures in Budapest, Ukraine and Israel make Gypsy Music Street an enthralling memoir of love and loss. Yet, it is also a story of the overwhelming joy a daughter experiences when she travels back in time and discovers her own torn roots.

Simcha Guterman's, *Leaves from Fire*, is a firsthand account written with the deep sense of comprehension he was documenting the fate of his people. Knowing full well that his life was in danger, Simcha chronicled the occurrences of the Holocaust on long scraps of paper, as they happened right before his eyes. The events described take place in Poland, during the first years of World War II. The author stuffed long paper scraps, written in Yiddish, into bottles and hid in them in different places. One of these bottles was discovered after the war. Simcha Guterman's work has been published and translated into eight different languages, receiving high praise from critics. The book's evocative illustrations were drawn by Yaakov Guterman, the author's son.

At 368 pages, *Beyond Salsa for Ensemble, Vol. 1* is the most ambitious of the 15 volume series. The course is designed for college and high school Latin music ensembles and working salsa bands seeking to add modern Cuban "timba" and "songo" material and techniques to their repertoires. The course begins with the basic salsa groove and then presents two modern Cuban grooves (one in 2-3 clave and one in 3-2 clave), with note-for-note transcriptions for piano, bass, bongo, timbales, congas, and drums - all explained in careful detail in a conversational style. The next part of the book teaches 36 rhythm breaks, or "efectos," that can be added to any Latin arrangement. Again, every stroke of every part is meticulously transcribed, with lead sheets also provided for more experienced players. Finally, the book contains a complete chart for performance of a popular Cuban hit by the popular group *Los Que Son Son*, led by Pupy Pedrosó, the subject of several of the *Beyond Salsa Piano* books.

The fur is really flying in this *Dead-End Job Mystery* from the national bestselling author of *Checked Out*. No more pussyfooting around! Husband-and-wife PI team Helen Hawthorne and Phil Sagemont have barely scratched the surface of the world of show cats when a cornered kitty kidnapper's claws come out.... The one thing celebrity Trish Barrymore and her no-account accountant husband, Mort, can agree on in their bitter divorce is shared cat custody. But when Mort is found brained by a mahogany cat tower and their pedigreed Chartreux show cat goes missing, Trish calls on Helen and Phil to find the feline filcher and let the cat out of the bag. Discovering that Mort had some shady dealings within cat show circles, Helen goes undercover as an assistant for a woman who shows prizewinning Persians. As Phil and she get deeper into a high-pressure world of primping, posing, and purring to collar a killer, they get caught up in a cat-and-mouse game where the stakes are literally life and death....

One of the greatest examples of a truly successful life we have in Scripture is Joshua. Throughout Exodus, Numbers, and Deuteronomy, Joshua is described as Moses' minister. He was always following the example and leadership of Moses, the man God appointed to lead the children of Israel out of Egypt and into Canaan. Joshua was then chosen to succeed Moses as the new leader of Israel and bring them into the Promised Land. Joshua was not chosen because of a royal lineage or his status in nobility. He had neither of these. He was chosen, I believe because of some very key character qualities that he had. And these characteristics brought God's blessing and success in his life - and in the lives of those around him. As we look at his life, there is an awesome statement said about him in the middle of the book of Joshua. This statement is the basis of this book: "As the Lord commanded Moses his servant, so did Moses command Joshua, and so did Joshua; he left nothing undone of all that the Lord commanded Moses." (Joshua 11:15) Notice that part I put in bold: "he left nothing undone." This was not his assessment. Neither was it the assessment of his peers. This is the observation that God made and recorded for us.

Joshua's testimony was that of accomplishing everything that he was supposed to do. As we look at this thought of "leaving nothing undone," I am not suggesting that you can do everything that you want to do or everything that others want you to do. I am saying that when you find what God wants you to do, develop the right character, and work in God's strength; you can do everything that God wants you to do.

The authors of this book explain the differences between managing by the 3-Ps (Proximity, Position, and Persuasion) and the 3-Cs (Clarity, Consistency, and Connectivity). Leaders who employ the 3-Ps manage with a focus on the individual. Leaders who use the 3-Cs, however, manage by weaving personal leadership techniques with a process of managing the business or organization that has proven extremely effective during the decade since it was introduced. It's a way to lead a company or organization that leaves a legacy of sustained growth and success for those who come after the leader to latch onto and continue. The book is written as a business novel. What is learned on the protagonist's journey is expanded upon in a lesson at the conclusion of each chapter. Readers are then invited to assess their own legacy potential by completing a self-assessment. The management process this book contains is now being employed successfully not only by small and medium size businesses, but also by Fortune 500 companies, successful municipalities, and the United States Army.
